

8. BEFORE THE KICKOFF

8.1 – Before the game – off the field

1. Meet with the other officials at the stadium at the agreed time. This should normally be at least 1½ hours before kickoff time for a regular game, and 2-3 hours for a playoff, international or other important game **unless the pre-game conference is being held in another place.** [◇]
2. As early as possible after arriving at the stadium, inspect the facilities and the playing surface, particularly for hazards and obstructions. Seek the co-operation of game management to rectify any faults.
3. [REFEREE] Lead a thorough pre-game conference to prepare the crew mentally for the game. Ensure that all members of the crew contribute to it. A pre-game conference guide can be found in chapter 7. [OTHERWISE] Participate in the pre-game conference. If the Referee is delayed for any reason, the conference should be led by the Linesman or the senior official present.
4. [REFEREE] [UMPIRE] Prior to the game visit each team (normally in its changing room **or on the field**)[◇] at least one hour before kickoff.
 - (a) Identify and introduce yourself to the Head Coach.
 - (b) Verify that each Head Coach provides a roster and signs a Coach's Certification to confirm that all players have been issued with the mandatory equipment and have been instructed in its use, etc. Confirm the game kickoff time, and any other timing details concerning the teams' arrival on the field of play.
 - (c) Review with the Coach the items listed in section 4.3.
 - (d) Review any unusual game procedures or situations with the Coach. Note any trick plays that may be used.
 - (e) [UMPIRE] Spot-check players' equipment and taping. Record numbers of players with illegal equipment or without mandatory equipment so that they can be re-checked when they get out onto the field of play.
5. [OTHERWISE] While the Referee and Umpire are visiting the Head Coaches:
 - (a) If one or both teams are running drills on the field, you may choose to take advantage of this to get into position and (without whistles, flags or overt signals, and without making your presence too obvious) practice your keys, movement and response to the play.
 - (b) The officials responsible for briefing the chain crew and ball persons may go out onto the field and do this.
 - (c) Return to the changing room once you have completed your tasks or the teams have finished their drills.
6. ^λ Examine the game balls provided. If they are acceptable, mark each ball and pass them to the officials responsible for ensuring that they arrive at the field of play.
7. Complete any pre-game paperwork that is required by the competition or your officiating organisation.
8. [ON-FIELD TIMEKEEPER] Before leaving the changing room:
 - (a) Ensure that you have the correct time. Have a countdown stop-watch available and be conversant with its use. Check that another member of the crew is carrying a spare stop-watch in case the primary one becomes defective.
 - (b) Confirm the kickoff time and relay this to the other officials. It is your responsibility to ensure that all officials arrive on the field at the correct time.
 - (c) **Ensure that the other officials also synchronise their watches with the correct time.** [§]

9. Check that you and all your colleagues are wearing the correct uniform and are carrying their necessary equipment. The Umpire normally leads on this.
10. Do the radio checks stipulated in section 25.2.
11. Leave the changing room with the other officials in time to arrive at the field 10-20 minutes before the scheduled start time (earlier if the chain crew and/or ball persons still need to be briefed, or the field is some distance away; later if not). Arriving at the field earlier is appropriate and necessary if you judge that there is a significant risk of misconduct there or if the crew wishes to conduct its preparations there.
12. Assist if required in conveying the game balls to the field. One official is responsible for ensuring that the game balls are conveyed to the field (seeking the assistance of other officials if necessary).
 [IN xx0 FORMATION (CREW OF 4)] This is the Line Judge.
 [IN xx1/xx3 FORMATION (CREW OF 5/6C/7/8)] This is the Back Judge.
 [IN xx2 FORMATION (CREW OF 6D)] This is the Field Judge.

8.2 – Before the game – on the field

1. All officials should arrive at the field no later than 10 minutes before the scheduled kick-off time. Be earlier than this if you anticipate any difficulties with the teams, chains, chain crew, balls, ball persons, field markings or equipment, or are required to do so by the schedule for pre-game activities.
2. Note the location of the press box. If there is not a formal press box, the side deemed to be the press box is determined solely by the position of (in usual order of priority) the primary TV camera, the announcer/commentator or the majority of spectators, *not* by which side of the field the home team chooses to use.
3. Note the location of the medical facilities.
4. Check that game management has made any necessary changes to rectify faults in the facilities or playing area.
5. Summary of pre-game responsibilities:

- (ii) Organise and brief the alternate down box and line-to-gain marker crew (if provided) in the procedures detailed in section 22.2.

(c) [ON-FIELD TIMEKEEPER]

- (ii) Organise and brief the alternate down box and line-to-gain marker crew (if provided) in the procedures detailed in section 22.2.

12. [SIDE JUDGE]

- (i) Ensure that the game balls are available.
- (ii) If stadium play clocks are available, brief their operator.
- (iii) Discuss with the available medical personnel what signals are to be used to summon them on to the field. Inform the other officials of the agreed signals. §
- (b) Re-inspect the whole of the playing area and its immediate surrounds. Note any unusual markings and notify other officials. Ensure that game management has rectified any faults.
13. If you have not already done so, identify and introduce yourself to the captains and coaches of the team on your side of the field.
14. [LINESMAN] [LINE JUDGE] Ask the Head Coach to appoint or identify a "get-back coach" to assist you in keeping personnel well clear of the sideline during the game.

8.3 – Ceremonies

1. There are a number of different formats for ceremonies prior to kickoff. This section attempts to address the officials' roles and responsibilities at these times. Game management may vary the procedure, but equally may seek the officials' advice in how to organise the ceremony.
2. At a tournament or when a series of games is being played at the same venue, try to achieve consistency about the way the ceremonies at each game are conducted. §
3. Ceremonies are often used for one or more of the following purposes:
- (a) to introduce the teams
- (b) to play the national anthem(s)
- (c) to observe a minute's silence in respect of someone who has died or to commemorate a national day of mourning or remembrance
- (d) to involve some important person (e.g. politician or celebrity)
- The coin toss may take place before, after or during these, provided that Rule 3-1-1 is not infringed.
4. Principles to aim to achieve:
- (a) If national flags are on formal display (i.e. not just being waved by spectators), it is a good idea to face them during the playing of the national anthem(s).
- (b) You should very much avoid having either or both teams behind you or out of your sight. Try to adopt a position or angle where you can see both teams at all times during the ceremony. §
- (i) It is preferable that both teams remain in their team area during the ceremony, but game management may wish to have both teams on the field.
- (ii) If both teams are on/near their sideline facing the middle of the field, be near the centre of the 20-yard line at one end of the field, facing the opposite end line, so that both team areas are in your view. § If national flags are on formal display at one end of the field, use the end that enables you to face them. Otherwise, use the end that places you to the right of the press box.
- (iii) If both teams are lined up together, face the same way as them, with you between them and keeping sight of them at least in your peripheral vision. §
- (iv) Do not be so far away from the players that you cannot easily intervene (e.g. verbally) if they behave inappropriately.
- (c) The officials should line up in single file abreast. The Referee should be in the centre of the line. §
- (d) All officials must remove their cap during the playing of any national anthem or holding a minute's silence. It is a matter of personal taste whether an individual official holds it over their chest, lower down, or at their side.

- (e) If there is no master-of-ceremonies and/or game management ask the Referee to start the anthem(s) or minute's silence, the Referee will signal the start by taking off his cap. Under these circumstances, the Referee should time the duration of the silence, and signal the end of it by replacing his cap on his head.
- (f) If the ceremony is entirely under the control of the officials, it is best to do the coin toss first, then play the anthem(s) or have the minute's silence once the captains have returned to their teams on the sideline. In this case the officials should line up as in (b.ii) above.
- (g) If both a minute's silence and national anthem(s) take place, the protocol is for the minute's silence to take place before the playing of any anthem. **This ensures that the ceremony ends on a "happy" note rather than a "sad" one.** [◊]

8.4 – Coin toss

1. After completion of pre-game duties, the Referee, Line Judge, Back Judge and Field Judge go to the press box sideline and the Centre Judge, Umpire, Linesman and Side Judge go to the opposite sideline.
2. Get the team captains of the team on your side of the field and have them ready on the sideline 5 minutes before scheduled kickoff time.
 - (a) Ensure that there are no more than four captains (excluding non-playing mascots) and that they are carrying rather than wearing their helmets.
 - (b) The captains should be lined up on the sideline. On the press box sideline, they should be lined up on the left shoulder of the Referee or Field Judge. On the sideline opposite the press box, they should be lined up on the right shoulder of the Umpire or Side Judge.
3. Positions and duties during coin toss ceremony:
 - (a) [IN xx0/xx1 FORMATION (CREW OF 4/5/6C)] On the Referee's signal, the Referee and Umpire shall escort their respective captains to the centre of the field (see diagram below). The Umpire will introduce their captains to the Referee and then step back to a position where they can witness the toss.

- (b) [IN xx2/xx3 FORMATION (CREW OF 6D/7/8)][◇] The Referee and Umpire shall take up position in the centre of the field. The Field Judge and Side Judge shall escort their respective captains on to the field and introduce them to the Referee (see diagram below). Once they have done this they should retreat to the sideline.[◇]

- (c) The remaining officials should monitor the players in the team area on their side of the field.
- At least one official should be positioned on or near each 25-yard line in order to be able to monitor the entire team.[§]
 - If one or more of the remaining officials is still carrying out their pre-game duties (such as briefing the chain crew), that takes precedence over this ceremonial duty.
 - One official will be holding the ball for the kickoff. [IN xx1/xx3 FORMATION (CREW OF 5/6C/7/8)] This is the Back Judge. [IN xx0/xx2 FORMATION (CREW OF 4/6D)] This is the Line Judge.
- (d) During the toss ceremony, only those participating in the ceremony should be on the field. All other players, coaches, etc. should be in the team area. (Rule 3-1-1). The officials not involved in the toss ceremony should enforce this (unobtrusively whenever possible).
4. It is not necessary for the Referee to introduce the officials to the captains, nor for any of the officials to shake hands with any of the captains.[◇]
5. [REFEREE][‡] Ask the captains to introduce themselves to each other. Have the home team stay still and have the visiting team walk around and shake hands with them (see diagram below).

6. [REFEREE][‡]
- Show the speaking captains both sides of the coin, and clarify any doubt there may be as to which side is heads and which side is tails.
 - Ask the visiting captain to call the toss clearly (ask them again if their call is not clear).
 - Announce clearly the captain's call.
 - Toss the coin and either catch it or let it drop to the ground in view of the captains.
 - Indicate the winning captain by placing a hand on or near their shoulder.
 - Ask the winning captain for their chosen option.

7. [UMPIRE][§]
 - (a) Witness all the significant parts of the coin toss ceremony, including the visiting captain's call and both captains' options.
 - (b) Ask the Referee to clarify or correct any part that you think has not been communicated clearly and correctly.
8. The winning captain can choose to:
 - (a) defer their options to the second half;
 - (b) kick off;
 - (c) receive the ball;
 - (d) defend either goal.

If the captain's option is unusual, confirm that you heard their choice correctly.
9. If the winning captain elects to defer their options to the second half, the Referee should, after placing a hand on or near the captain's shoulder, step well clear and give the option deferred signal [S10] towards the press box. The losing captain should then be given the remaining options.
10. [REFEREE]
 - (a) Instruct the captains to face each other with their backs to the goal that they will be defending.
 - (b) Step back to be in front of the captains of the team that had the options for the first[◊] half, ensuring that your position is not obscured from the press box.
 - (c) Signal the choice by making^λ a kicking [S30] or catching motion [Sup13][◊] while facing the same direction as the captains. There is no need to give the opposite signal for the other team.
 - (d) If the captain elects to defend a goal, point with both arms towards the goal line and then give an appropriate signal for the choice of the other captain.
11. **Summary:**
 - (a) indicate the team that has won the toss, and if they have deferred their options;
 - (b) determine who is going to receive, and at which end;
 - (c) move the captains (this tells everyone which goal each team is defending);
 - (d) indicate *either* who is receiving *or* who is kicking off, but *not* both;
 - (e) it is not necessary for spectators to be told which option each captain has chosen other than in the case of a deferral.
12. Unless there is a national anthem/minute's silence ceremony, the officials should go directly to their kickoff positions after the coin toss ceremony has been completed.
13. Before going to their position, [IN xx1/xx3 FORMATION (CREW OF 5/6C/7/8)] the Back Judge, [IN xx0/xx2 FORMATION (CREW OF 4/6D)] the Line Judge will bring the ball for the kickoff on to the field and pass it to the Umpire.
14. At the request of game management, the toss of the coin may be performed by an individual or attended by a small group of persons. Such persons shall not, however, be permitted to perform the kickoff.
