

7. PRE-GAME CONFERENCE

A pre-game conference is an opportunity for the crew to get into the right frame of mind to officiate a football game. For this reason a pre-game conference should always be held.

Although the Referee normally conducts the pre-game conference, they must ensure that all members of the crew are actively involved in the discussion and that it does not turn into a monologue. When working with the same crew regularly, it is essential that the pre-game conference should be varied so that it does not become a boring ritual which everybody has heard before. Share the responsibility for the pre-game by assigning different members of the crew to talk about different points each game.

All aspects of the game must be covered during the pre-game conference; this includes both rules and mechanics. Discuss rare and unusual game situations and decide how you would cover them. Describe experiences of previous games and how you handled them.
