

IFAF Rules Committee Interpretations Bulletin 2017/1

The following bulletin produced by IFAF Rules of the Game Committee supplements Approved Rulings included in the IFAF rulebook.

Approved ruling 4-1-3:VIII

A2's place kick is driven low and strikes the crossbar. The ball bounces off the crossbar directly onto the helmet of B80 who is standing in the end zone. The ball ricochets off B80's helmet over the crossbar and between the posts.

Ruling: No score. The ball is dead when it hits the crossbar. By interpretation, if it continues on through the uprights after striking the crossbar, it is good, but the attempt in this play is no good because it does not immediately do that.
